STUDENT LEADERSHIP PRACTICES INVENTORY – SELF

Your Name: ____________________________________________

Instructions

On the next two pages are thirty statements describing various leadership behaviors. Please read each statement carefully. Then rate yourself in terms of how frequently you engage in the behavior described. This is not a test (there are no right or wrong answers). The usefulness of the feedback from this inventory will depend on how honest you are with yourself and how frequently you actually engage in each of these behaviors.

Consider each statement in the context of one student organization with which you are now (or have been most) involved with. This organization could be a club, team, chapter, group, unit, hall, program, project, and the like. As you respond to each statement, maintain a consistent perspective to your particular organization. The rating scale provides five choices. Circle the number that best applies to each statement:

(1) If you RARELY or SELDOM do what is described
(2) If you do what is described ONCE IN A WHILE
(3) If you SOMETIMES do what is described
(4) If you OFTEN do what is described
(5) If you VERY FREQUENTLY or ALMOST ALWAYS do what is described

In selecting the response, be realistic about the extent to which you actually engage in the behavior. Do not answer in terms of how you would like to see yourself or in terms of what you should be doing. Answer in terms of how you typically behave.

For example, the first statement is “I set a personal example of what I expect from other people.” If you believe you do this once in a while, circle the number 2. If you believe you do this often, circle the number 4. Select and circle only one option (response number) for each statement.

Please respond to every statement. If you can’t respond to a statement (or feel that it doesn’t apply), circle a 1. When you have responded to all thirty statements, please turn to the response sheet on the back page and transfer your responses as instructed.
