MY FIRST JOB

Document Based Questions

1) What in Rose's story had the greatest impact on you while you were reading?

2) Why do you think the boss employs Rose only "by the week"?

3) Based on his actions and body language during their encounters, how do you think Rose's boss was evaluated by ***his*** boss (the owner of the company)? Another way of looking at it would be to ask yourself if you can figure out what Rose's boss' pay was based on. Provide proof from the text.

4) What insight does Rose give us about the kind of home she goes back to every night? Is she able to spend a lot of time with her father?

5) Why was Rose so dedicated to a job that obviously made her unhappy? What did she think needed to happen in order for her to be happy? Do you think Rose's dream will come true? Use information gained during class to back up your opinion.
