Welcome to Grade 4 Homework!

As a Grade 4 student at IST, you are expected to complete 45 minutes of homework. Your homework has two parts. The first part is your nightly homework. This is what you should be doing each night:

1. Study for your spelling test (look, say, cover, write, check) from Monday - Thursday. (10 min)
2. Daily Language Review Book (10 minutes)
3. Math Homework Book. (15 min)
4. World Language and other subject homework.

Each Monday you will be given a pre-test on a new set of spelling words. Any words spelt incorrectly in this test in addition to your extension words will be practiced each night using the ‘Look, Say, Cover, Write, Check’ worksheet. This homework will be submitted each Friday.

Each night from Monday – Friday, you will complete one unit each from the Daily Language Review and Math Homework booklets. The math homework will be self corrected each morning during our homeroom time. The language review homework will be handed in each Friday for marking by your teacher.

It is your responsibility to finish all tasks. You must learn to manage your time and complete them in a timely manner.

We encourage reading every night to help improve your reading skills. This reading does not have to be in English. Great things to read at night are novels, books we are reading in class, magazines, newspapers, etc. Record your reading in your homework log.

If you have any questions or problems with homework, please see your teacher right away. We are here to help you. We can adjust the homework for you so that it is achievable. We want each and every one of you to succeed in doing this independently.

Good luck and have fun learning! 😊

Mr. Rae and Mrs. Simon
